

Greetings WPAA Family!

We have an exciting new opportunity here at WPAA. Starting this Fall, we will be offering **50+ hours a week** of Private Lesson Time.

In place of our usual course offerings, we're maxing out our private lesson time slots to ensure that all our students have a safe way to continue growing as artists and cultivating their talents. There are "drop-in" private lessons available as well as 12 week semester packages at a discounted rate, both of which have family discounts!

Availability of time slots will be first come, first serve. Students who choose the semester package will have priority in choosing their time slots by signing up for their entire semester before the first week of private lessons. All "drop-in" private lessons will be scheduled through our new scheduling system linked below.

Semester package payments will be a one time payment whereas drop-in payments will occur at the beginning of each scheduled session. All payments must be received at or before the time of the scheduled session. Please email a request for a direct link to a PayPal Invoice, or bring a check to your scheduled session.

"Drop-In" Private Lesson Pricing

30 Minute Session: **\$20**

One Hour Session: **\$30**

All "Drop-In" Privates must be scheduled **at least 1 week in advance** through our scheduling website here: [Book Private Lessons with WPAA](#).
