Food vendors are responsible for their own **trash collection containers and bags**. All trash is to be removed by vendors to designated containers at the close of the festival.

2. **Food Truck/Trailer Vendors:** All food trucks/trailers must register for a food truck space (which gives you two regular booth spaces for a total space of 30' x 10' (width x depth). Trucks/trailers must be parked in their space (with other vehicles removed) by 9am .
3. **Electricity and Booth Assignment:** This is provided on a limited basis and will be determined by the specific needs for each vendor.

UNLOADING: For those of you that do not have self-contained units, please unload your vehicle at your space and immediately park your vehicle in a designated lot. You may then return to your booth for set up. **DO NOT** leave your vehicle parked in the street while you set up as this blocks other vendors from being able to unload.

FESTIVAL HOURS: The Yadkin Valley Harvest Festival will operate from 10:00 a.m. to 3:30 p.m. All vendors are required to stay open for the duration of the festival. No vendors will be allowed to break down and physically leave the festival area prior to 3:30 p.m. Due to safety concerns, streets will be closed to vehicle traffic from 9:00 a.m. to 4:00 p.m.

SETUP TIMES: Typical set-up time starts at 6 a.m. Saturday morning. Food concession trailers may move in on Friday after 5pm (under the supervision of the Yadkin Arts Council). Please arrange this in advance as this must be scheduled prior to you dropping off your trailer and could affect your booth assignment location. **BE ADVISED, there is no constant security although local law enforcement perform extra patrols to this area, you do this at your own risk.**

POWER: Food vendors will be assigned a location with electricity when required. Be sure that all electrical cords are heavy duty and note that outlets are not always next to your booth so bring long extension cords. Food vendors using generators must disclose this prior to the festival so that a proper location can be determined for your booth. Electricity is limited and not available for all vendors so please be prepared to bring a generator if needed.

BOOTH ASSIGNMENTS: Will be emailed the week of the festival along with any last minute information. **An email address will be required for all vendors registering - if you do not personally have an email address then please designate someone that we can contact on your behalf.**

PERMITTING: ALL FOOD VENDORS are subject to Yadkin County NC inspection requirements, regardless of profit/non-profit status. For accountability and trace back purposes, you **must** fill out an application for a temporary food permit and if applicable, make a fee payment to the local Health Department. Some vendors may qualify for an exemption, **BUT YOU STILL MUST PROCESS AN APPLICATION IF ONLY TO QUALIFY FOR THE EXEMPTION.** If you already have a NC permit for a mobile food cart or a push cart, you must include a copy of your permit with your temporary food permit application. The Deadline to get your application in to the Yadkin Arts Council and the Health Department is **AUGUST 1st.** If you have any questions regarding the permit application process, contact the Yadkin County Health Department at 336-679-4244. ***Please note that no Food Vendors will be assigned booth space until we have received notification from the Health Department that you have been issued either your exemption or temporary permit.**
